As a Lecturer in the Department of Germanic Studies at the University of Melbourne, I am responsible for the development and delivery of pedagogically relevant, communicative teaching materials, designed to foster a deep connection between language and culture.

My aim is to facilitate an understanding of German-language media, society, and discourse, thus enriching students' engagement with the German-speaking world.

In my capacity as a DAAD representative, I provide expert guidance to both students and colleagues regarding academic and research opportunities in Germany. Additionally, I oversee the organisation of language proficiency assessments, including the onSET exams.

My role extends to coordinating a wide range of events, from intimate film screenings and literary readings to large-scale career fairs, all of which serve to enhance the academic and cultural experience within the German department.

Als Lecturer am German Department der Uni Melbourne bin ich für die Entwicklung und Vermittlung relevanter, kommunikativer Lehr- und Lernmaterialien verantwortlich.

Es geht um die Verbindung von Kultur und Sprache, die ein Verständnis deutschsprachiger Medien, Menschen und Diskurse ermöglicht.

Als DAAD-Repräsentant berate ich Studierende und Kolleg:innen zu Studien- und Forschungsmöglichkeiten in Deutschland. Außerdem führe ich Sprachtests für onSET durch.

Dazu bin ich an der Organisation von kleinen und größeren Veranstaltungen wie Filmabenden, Lesungen oder Jobmessen beteiligt.
